What is a Deep Energy Retrofit? (DER)

Recovery *Through* Retrofit

October 2009

Middle Class Council on Environmental Policy

Barriers to Growth:

Consumer Access to Straightforward and Reliable
Information

Homeowner Access to Financing for Upfront Costs of DER's

Access to Skilled Workers: DER's require building science
expertise, and construction experience

The Western Mass Green Consortium

The Western Mass Green Consortium's mission is to promote sustainable business practices, nurture the environmentally committed business sector, advocate for environmentally progressive policies, and improve the environmental profile of economic activity in Western Massachusetts.

**Join us the 2nd Wednesday of each month 4pm
@ the Northampton Brewery**

Thank you very much!!
