Presents

Integrated Teamwork = Higher
Performing Buildings

What Are Buildings Made Of?

Buildings are a System

When Integration is Ignored

- Basements that smell musty = mold
- High heating and cooling bills
- Unhealthy indoor air
- Wasted energy and resources
- #1 contributor to global climate change

Western Mass Green Consortium

- Diverse stakeholders working to foster energy efficiency incentives to facilitate building envelope upgrades/conservation
- Go To:
www.westernmassgreenconsortium.com

Enjoy the Conference!

Thank You!

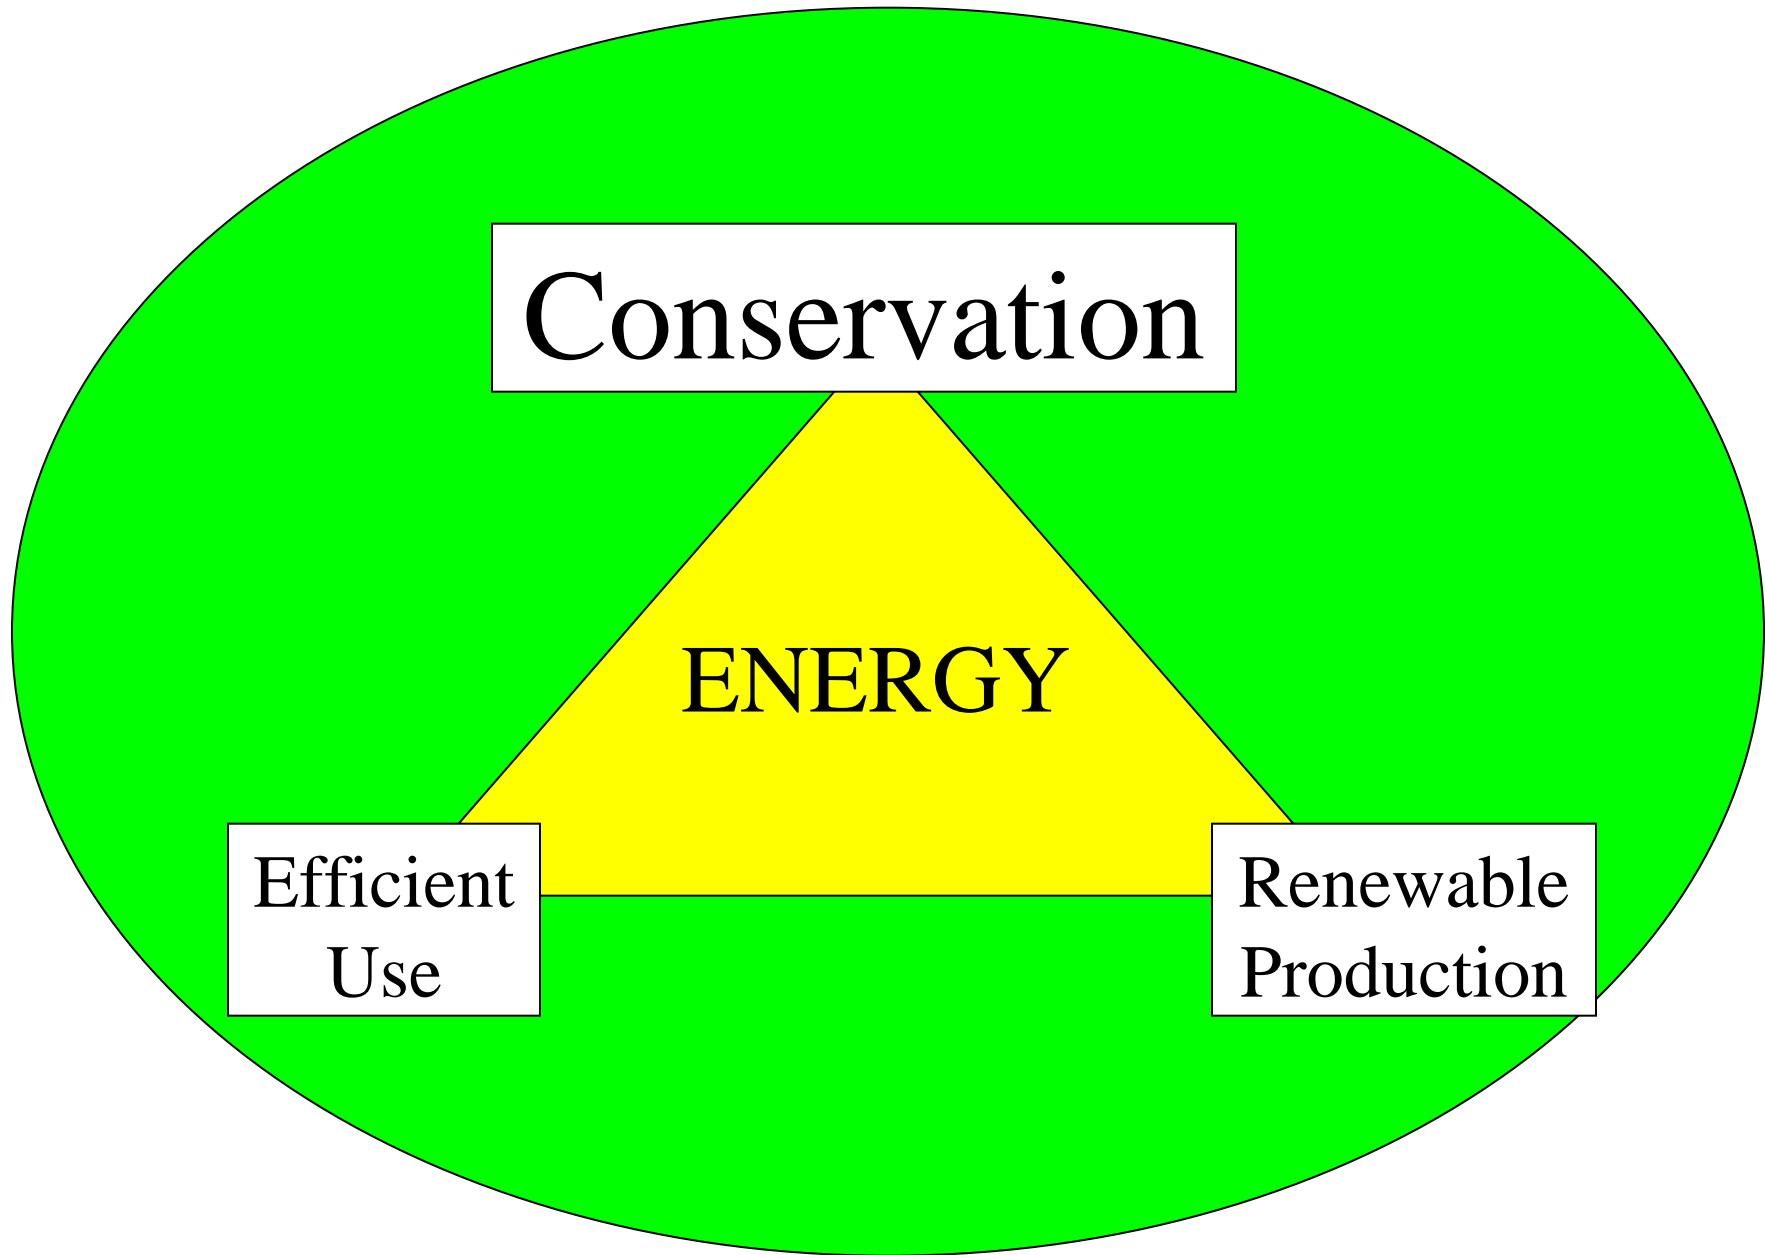

The Beyond Green Collaborative

- New Development and Redevelopment
- Design and Build
- Financing
- Renewable Energy
- Maintenance
- Advocacy

Collaborative Teamwork

Designers and Installers Working Together

- Structural
- Moisture Control
- Energy Conservation (Insulation/Air Sealing)
- Heating, Cooling, Ventilation
- Lighting
- Electrical
- Water Management
