Other settings of this poem: 10

Die blauen Veilchen der Augelein,  
The violets blue of the eyes divine,

Die roten Rosen der Wangelein,  
And the rose of the cheeks as red as wine,

Die weissen Lilien der Händchen klein,  
And the lilies white of the hands so fine,

Die blühen und blühen noch immerfort,  
They flourish and flourish from year to year,

Und nur das Herzchen ist verdorrt.  
And only the heart is withered and sere.
