Editor's Note on Book Reviews

John McCarthy is coordinating book reviews to be written for this Newsletter, and he has received review copies of a number of books from presses that he can supply to individuals who agree to write a review of such recent publications. If you, or someone you know, would be interested in book review assignments for the African Diaspora Archaeology Newsletter, please drop John a note, at strongjohn10856@gmail.com. A reviewer receives a free copy of the book.

I also will occasionally publish selected book reviews in this Newsletter from H-Net, the Humanities and Social Sciences Online service, which makes such reviews available for reproduction for educational purposes. Other reviews are available on the [H-Net Reviews](#) web site. -- Chris Fennell
