A Note from the Editor.

I have received enquiries from some of you about not receiving your spring issue of the Newsletter. I apologize. I have been somewhat busy this past winter and spring and since I had so little to publish, I decided to put off the spring issue and combine it with the summer issue. In the meantime, my pleas for material have been answered.

I would also like to remind you that the deadline for the next Newsletter is November 15. Please be generous and send me your best stuff preferably by e-mail. The winter 1995 issue of the Newsletter is finally online at <http://www.mindspring.com/~wheaton/NSA.html> I have received a number of enquiries from web surfers about the newsletter (all positive), and recently ran a check to see how many other web sites have links to my site where the newsletter resides, there were over 25, including three in Germany and one in Latin America. The links were nearly all because of the newsletter.
