## **Request for Information**

Barbara Heath and Amber Bennett Moncure are working on a paper on African-American yards for the 1997 meeting of the Society for Historical Archaeology. We are interested in references to archaeological reports or unpublished papers that describe projects where the layout or use of yard spaces occupied by slaves or free blacks formed a significant part of the research design and interpretation of the site. Please send references to Barbara Heath, Thomas Jefferson's Poplar Forest, P.O. Box 419, Forest, VA 24551 or to 75254.250@compuserve.com. Thanks so much.
