Momuments of the Black Atlantic: History, Memory, Politics

This is a conference that will take place in Williamsburg, VA, May 24-28, 2000. Cosponsored by the College of William and Mary Middle Passage Project, The Collegium for African American Research (CAAR) at the University of Southern Denmark, and the Colonial Williamsburg Foundation, the conference will focus on the presence of Africans and their descendants in the Atlantic basin and elsewhere in the African diaspora. Topics may include: sites of memory, literacy, culture and acculturation, public monuments and commemoration, slave revolts and rebellions, representation, public history and preservation, yard dressing and other forms of material culture, archaeology, memory and counter-memory, imagined communities and collective memory, narrative memory, the reconstruction of memory, physiological and psychological dimensions of memory, political aspects of folk and traditional religions, santeria, obeah, condomble and vodun, gender politics, African independence and neocolonialism, diasporic identity and transnational politics, and papers related to historic sites of specific cultural interest.
