Editor's Note on Book Reviews

I often publish selected book reviews in this newsletter from H-Net, the Humanities and Social Sciences Online service, which makes such reviews available for reproduction for educational purposes. After a lengthy delay in publishing new book reviews in the autumn of 2005, H-Net posted numerous reviews of books on African diaspora subjects over the past couple of months. I have reproduced two of those reviews below. Many others are available on the H-Net Reviews web site -- Chris Fennell.
