

**What is your initial paper topic or idea?:**

---

**Write a topic based on the topic above, then fold.**

---

**Write a related topic based on the topic above, but more specific, then fold.**

---

**Write a related topic based on the one above, but a different angle (try a different location, time period, or social axis like gender or class!).**

---

**Write 4-7 key terms based on the topic idea above and then fold.**

---

**Write a search string based on the key terms above, then fold.**

---

**Write a new search string based on the one above, but add at least three terms.**
