

Lesson 2-1: Polling the students' knowledge  
~20 minutes

Student Version	Teacher Discussion Notes	Materials
N/A	<p>For your own knowledge, poll the class to gauge student understanding of the issue.</p> <ul style="list-style-type: none"><li data-bbox="435 478 1154 709">• You may find that many of them don't have a comprehensive grasp of the issue and may carry with them misconceptions. Don't worry. In the engagement step, students will have the opportunity to gain more background knowledge and to have their misconceptions addressed.</li></ul>	Student Poll
