**The Trans-Atlantic Slave Trade, A Database on CD-ROM.** Eltis, David, Behrendt, Stephen D., Richardson, David and Klein, Herbert S. (eds.) Cambridge University Press, 1999. ISBN: 0-521-62910-1, \$195.00. This CD-ROM contains the records of 27,233 transatlantic slave ship voyages made between 1595 and 1866 from all over Europe. The disk contains software that allows users to process data by the time periods and geographic regions of their choice. It also permits the downloading of data in ascii format for use in other programs. Interactive maps that allow users to establish the structure of transatlantic connections are also included.
