6. Continue the landing page by clicking the **Continue** button.
7. **Accept** the Terms and Conditions.
8. Enter all the required, and optional, details about you as the account holder and then click the **Continue** button.
9. Here, you have a chance to add all other co-authors. By default, the system recognizes you as the first and corresponding author. Once done, click the **Continue** button.
10. Enter the full **Article Title**.

11. Enter required **Keywords**, preferably keep the count between 3 to 5.

12. Select all the **Disciplines** covered by your work by selecting the appropriate fields from the **Available** selection list on the left. This is required for indexing purposes.
13. Select a **Document Type**, a Paper type in most use-cases.

14. Attach a **Publication License Type** for your manuscript.

15. Enter full **Abstract**.
16. Any **Optional Cover Page Acknowledgement** can be pasted here.

17. **Upload the manuscript** either from your local hard drive or from a remote host. Upload preferably in PDF format to assure content formatting.

18. Optional **Cover Letter** can be uploaded or pasted here.
19. Revise all entries and then click the **Submit** button.

20. **CONGRATULATIONS!** You have just submitted a pioneering work to the FOSS4G Scholarworks Conference Proceedings Review System. The redirected page now allows you to **Download** the uploaded manuscript, **Revise** your submission, **Upload Additional Files**, **Submit New Article**, visit **My Account** section and to perform many other actions.
21. If you prefer to **Revise the Submission**, you have to provide an explanation for the revision.

22. Go to the **My Account** section to manage your submission.
