Thesis Research

Taylor Michaels is interested in receiving information concerning sewing tools found in plantation and urban slave sites, for thesis and ongoing research on slave quilting. He is currently interested in states other than South Carolina as he has surveyed site reports there through the 1994 season. However, he is still interested in new finds there. You may contact Mr. Michaels at 715 Regency Square, Apt. 308, Kalamazoo, Michigan 49008.
