# Cranberry Station Update

Carolyn DeMoranville, Director  
UMass Amherst Cranberry Station

# Handout

- Report to the Station Board of Oversight
- 2004 in Review
  - Funding sources
  - Program highlights – you will be hearing about these all day today
- All the news is good

# Grower support

## ● Grower grant sources

- Cape Cod Cranberry Growers Association
- Cranberry Research Foundation
- Cranberry Institute
- Ocean Spray
- Wisconsin Cranberry Board

● 2004 - \$82,700

## ● In-kind contributions

- >\$20,000 (not including the 'trampling factor')

# Grant support – mostly competitive government funding

- USDA special project – earmark in USDA budget
- IR-4 – support for minor use pesticide registrations
- Industry (chemical companies)
- USDA: CAR, PMAP, NEIPM
- State agencies
  
- Current value of active grants - >\$1.6 million

# University support

## ● Amherst

- Faculty salaries
- Support staff
- Operations (utilities, etc.)
- Hatch allocations – extra for equipment in 2004

## ● Dartmouth

- Technical support for Justine's program

## ● Central administration

- Operating funds

# Cranberry crop

- Rocky Pond bog returned to production in 2003
- Crops

	State Bog	Rocky
2003	1074 bbl	415 bbl
2004	1253 bbl	1004 bbl

Kudos to Jen Friedrich

# Renovation of State Bog

- 2006-2007
- Design for research and income
- Chemigation trials
- Replicated varieties trial and research planting
- Replicated flood areas

# Thanks for the support

- CCCGA
- Ocean Spray
- Cranberry Institute
- Individual grower cooperators
- AD Makepeace, Cranberry Growers Service
- DeCran and RF Morse
- Individual contributors – you can designate the Station in the UMass Annual Fund!

# Thanks to all of you

For your continued support and encouragement – you make it possible for us to achieve excellence in cranberry research.

Thanks to the faculty and staff of the Cranberry Station – they are doing superior work.

Thanks to Michelle Botelho for the slide template!
