Resource	Description	Link/Citation
A Community Guide to Starting & Running a Wood Bank	Document to generate awareness about and action towards creating and sustaining firewood banks.	Vivian, S., & Leahy, J. (2015). A Community Guide to Starting & Running a Wood Bank. https://digitalcommons.library.umaine.edu/sfr_studentpub/1
Alliance for Green Heat	Website of a non-profit organization that provides resources for firewood banks, including guides, funding, and profiles highlighting firewood banks	https://www.firewoodbanks.org/
Food, Medicine, or Heat? How Firewood Banks Leverage Local Natural Resources to Support Fuel-Poor Households	Peer reviewed journal article of a research project featuring a qualitative analysis of interviews with representatives from 21 wood banks exploring reasons for household poverty leading to use of firewood banks.	Griffith, E. E., Dampier, J. E. E., Hart, C. M., & Harper, R. W. (2022). Food, Medicine, or Heat? How Firewood Banks Leverage Local Natural Resources to Support Fuel-Poor Households. <i>Journal of Rural and Community Development</i> , 17(3). https://journals.brandonu.ca/jrcd/article/view/2211
Organizational Structure Analysis of Community Wood Banks: Ameliorating Fuel Poverty Through Local Direct Action.	Peer reviewed journal article that employs a program logic model to document and describe the organizational structure of 21 community wood banks across the U.S. Results contribute to the understanding of large-scale patterns regarding how wood is acquired, processed, and distributed, as well as situate wood banks in the context of other poverty reduction programs.	Griffith, E. E., Dyer, D., Dampier, J. E. E., Hart, C. M., Leahy, J.E. and Harper, R.W. Organizational Structure Analysis of Community Wood Banks: Ameliorating Fuel Poverty Through Local Direct Action. <i>Community Development Journal</i> (submitted).
When There's No Heat: 'You Need Wood, You Get Wood'	New York Times article featuring woodbanks in Maine and discussing how they are affected by climate change.	Holloway, M. (2019, February 20).
